

COVID SECURE Class Guide

Outdoor In Person Yoga

Pre Book Class

I have a range of classes in person & online classes & workshops. All sessions need to be booked in advance to manage & limit class numbers for everyone's comfort & safety. Before attending your first class with me (since Feb 2020) you will need to complete the updated student registration form at least 24 hours before attending

Pre Pay

When you book you'll need to pay to reserve your mat space & enable a cashless operation. Due to limited class capacity, all bookings are non refundable & non transferable (unless cancelled due to weather, these are transferable). Please read the full joining instructions before coming to class.

Arrive Ready to Yoga

Come dressed in your yoga clothes with your mat, water & essential items to minimise congestion. No yoga equipment will be provided, so do bring your own. Think layers to keep warm, a belt/tie & a long scarf or sarong to cover your self with in Savasana are useful.

Class Arrival

In person classes have an arrival time, giving you 15 mins to arrive & get settled. If you arrive early please wait in your car/outside. Please wash/sanitise hands before & after class. When you arrive at the yoga space, set up your mat up behind the yellow marker. Please keep a 2m+ gap between all other attendees, at all times.
